# ABOUT

EVENT BASE, locally owned and established in Auckland in 2009, is at the forefront of delivering world-class event environments and highly versatile modular infrastructure solutions across New Zealand. **We are NZ's leading truss provider and the preferred supplier for NZ National Fieldays**, specialising in robust, site-specific designs and installations suitable for any project size.

Our approach is **design-led and capability-backed**. We are committed to building great experiences through versatile structures, high-quality design, professional production, friendly service, and a focus on safe and sustainable operational practices. Our infrastructure is not only highly engineered for NZ outdoor event conditions but also **modular and customisable** to meet unique requirements, ensuring an effortless setup and environmentally conscious site design.

We offer a range of solutions for your site, including kiosks, lockable sales offices, truss and marquee structures, gantries, signage and entranceway frames. We pride ourselves on our attention to detail and our ability to **deliver award-winning sites**, having provided solutions to brands, including, Volkswagen, Nissan, DeLaval, Mercedes-Benz, LIC, Fieldays, Triton Hearing, Wacker Neuson, Skoda, Spark, Montana Catering, Kia, and more.
